

Comments from Club Development Workshop PN

List 2 things that you will take back to your clubs from tonight's workshop

More flexibility on meeting times and format

That more people need to turn up

Members need to get more involved

Active clubs have engaged members

Membership Plan. Is it necessary?

Need better gender mix

Strong Membership Committee

Need to involve whole club - group ownership

Membership is everybody's responsibility

Meetings need not just be meal and speaker, same time, same place

Variety is the key. We don't need weekly meetings

Share what we have talked about - Lots of common ideas

Encourage other to share (club change ideas)

Health Check on the club

Active clubs engage current members who introduce new members

Look at variability of times/days of meetings / flexible structure

Use community activities to attract members

Tackling disengaged members-get them involved in club activities

Fellowship – Keep close eye on non participates

2 weekly meetings don't necessarily mean better attendance

Ideas for membership retention

Share my club vision statements (President)

Expand membership to look at Community harder

Membership training – new members

Identifying disengaged members and why

Being more engaged – don't be afraid of change

Continue to be positive

Be confident to ask people along to Rotary

Need to ask people to join – “ get off your ask”

New members need to be mentored more

New members are everybody’s responsibility

Everyone is valued

Personal approach – ask people to join

Ask

Membership Plan

Membership Plan / Value members

What will you do differently at your club after having attended tonight workshop

Ask more people to join Rotary /Look up MyRotary

Continue to push for positive inclusive change

Ask a person to join Rotary

Improve communication with existing members

Make up list of prospective members

Be flexible on club meeting dates / times/format

Ask more people to join Rotary

Make time at meetings

Try to talk to new members more. I am often running late and they leave as soon as meeting is finished

Communicate and be positive and focused with new members

Ask people along to Rotary

Make sure all members are engaged and informed about Rotary

Involve members at all levels

Improve mentoring

Work on maintaining member’s engagement

Think of new members to bring on board

Ask about Membership Plan

Provide the club with regular news/Insights

Talk more about opportunities in Rotary

Find people's passion

More club member engagement

Need to think about retention activity

Do a club "storm"
